

# Estimator

Accurately Estimate Patient Payment Responsibility

## Avoid Patient Frustrations, Refunds and True Ups

### Set Patient Expectations and Secure a Payment Method

InstaMed's patented Estimator solution estimates patient payment responsibility, automates insurance verification, pre-populates fee schedules and securely stores a payment method to ensure the exact amount is collected.

#### Manage Patient Expectations

Clearly outline patient payment responsibility and secure a payment method to ensure you get paid

#### Secure a Payment Method

Securely store payment information in advance to ensure the exact amount is collected

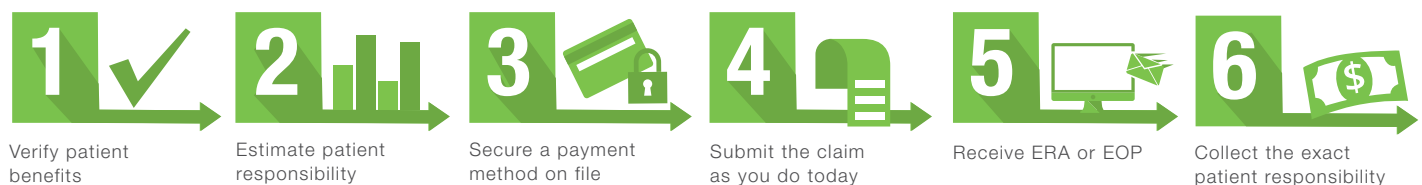

#### Reduce Refunds

Avoid the hassle and patient frustration of true ups and refunds

### Customize to Your Needs

InstaMed's Estimator solution allows you to configure estimates and control how you integrate fee schedules. Use standard fee schedules, customized fee schedules or integrate into your existing fee schedule application.

## How It Works:

**9 out of 10 consumers** want to know their payment responsibility upfront.
