

Patient Portal

Collect More by Offering Patients Every Online Payment Option

Enable Payments 24/7 From Any Device

Deliver the Convenience and Simplicity Your Patients Expect

Collect more by enabling your patients to pay you online with the InstaMed Patient Portal. Integrate and embed with your existing applications and begin receiving online patient payments.

Enable Online Payments

Allow patients to make online payments, set up a digital wallet and sign up for eStatements

Cut Processing Costs

Decrease paper processing costs, reduce patient phone calls and eliminate manual posting

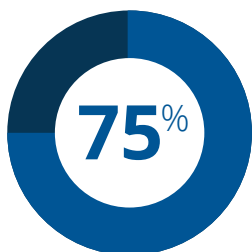

Get Started Quickly

Leverage InstaMed's Patient Portal to deliver a robust solution with flexible integration options that fit your workflow and quickly enable online payments

Get Online Payments With Your Existing Workflow

Track all of your patients' online payment activity with transaction level detail, summary and detailed reporting. The only payment solution with posting and reconciliation detail all on one platform.

How It Works:

75% of consumers opt to pay their household bills through online payment channels, including bank bill pay portals, websites and mobile apps.
