

Member Payments

Simplify Your Members' Healthcare Payment Experience

Meet the New Demands of Consumerism

Deliver a Seamless and Secure Payment Experience

Enable members to pay 100% of their claims directly from your branded portal. Members can make payments, store payment methods in a digital wallet, and view or download payment history, all from your portal or mobile apps with single sign-on technology.

Embed Payments

Allow members to make claim payments electronically to 100% of providers in the U.S. through your member portal

Engage Members

Drive traffic to your member portal and increase repeat visits when members have the ability to make all of their healthcare payments

Differentiate Your Plan

Meet member and employer group expectations for convenience – allow your members to create digital wallets and view or download payment history

The InstaMed Difference

One platform designed and developed on one code base and supported by one onshore team of experts in healthcare payments.

How It Works:

71% of consumers prefer to make all of their healthcare payments to all of their providers in one place.
