

# One Bill

Deliver Members a Consolidated Healthcare Payments Experience

## Enable Members to Pay All of Their Healthcare Bills From Your Branded Portal

Enable members to pay 100% of their claim payments and premium payments directly from your branded portal. Members can make payments, store payment methods in a digital wallet, and view or download payment history, all from your portal or mobile app with single sign-on technology.

With the InstaMed One Bill solution, payers can revolutionize the healthcare payments experience and allow members to have a single place to make all of their healthcare payments.

### One View

Deliver members a simple, consolidated bill that combines premiums across product lines and claim payments across your provider network

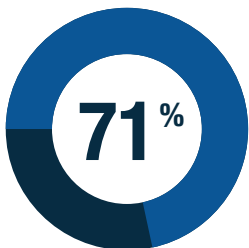

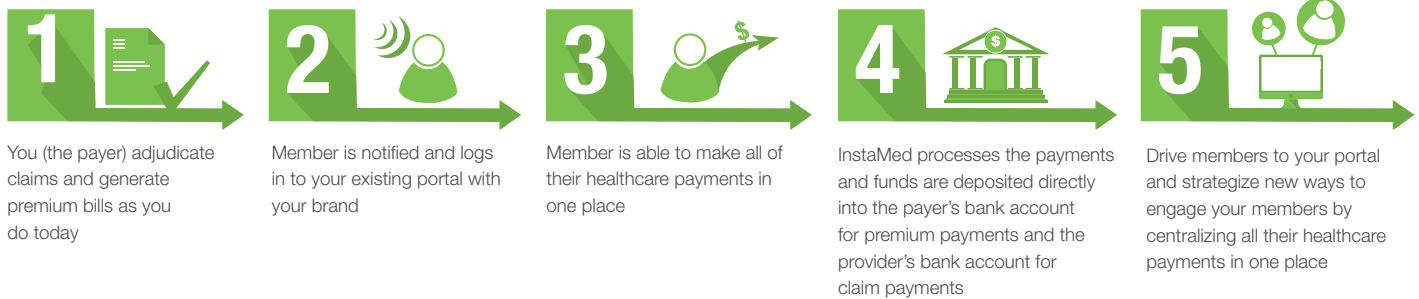

### One Payment Experience

Enable members to pay multiple claims and premiums at once with the flexibility to determine payment amount and payment method

### One Trusted Source

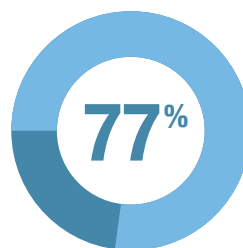

Improve member retention and drive traffic to your member portal by being the sole source for all your members' healthcare payments needs

## How It Works:

**71% of consumers want to pay all of their healthcare bills in one place.**
