

Transaction Gateway

One Platform for Both Healthcare and Payments

Eliminate Multiple Vendors and Connect to Every Provider

Simplify Every Clearinghouse Transaction

Allow every provider in your network to access real-time and batch eligibility, submit claims, check claim status and receive remittances, all with one platform. InstaMed enables you to deliver cost-effective clearinghouse solutions, support a wide variety of submission formats and offer a flexible user interface.

100% Electronic Access

Allow your providers to connect electronically for every clearinghouse transaction

Eliminate Multiple Vendors

Realize immediate cost savings from centralizing all clearinghouse transactions on one platform

Most Trusted

Meet all HIPAA compliance requirements for EDI transactions and get 99.9% uptime and industry leading support 24/7

The InstaMed Difference

One platform designed and developed on one code base and supported by one onshore team of experts in healthcare payments.

How It Works:

Providers, billing services, vendors and other clearinghouses connect to you for eligibility, claim submission, claim status and remittances

InstaMed handles all of your real-time and batch EDI transactions for all of your trading partners

The InstaMed Service Guarantee commits to maintaining system availability 24/7 and delivering excellent and responsive customer service

Be confident that all trading partners are receiving EDI transactions as quickly as possible with the InstaMed Service Guarantee

The cost of ERA/EFT is **43% less** than paper remittance advice and manual claim payment.

Source: 2015 CAQH Index

InstaMed delivers payments to **more than two-thirds** of U.S. healthcare provider organizations.
